Fund raising activities during March/April 2019: & up coming events :

- Trinity150 Dinner Dance Organized by the TCK OBA Melbourne on the 15th June 2019.

I am pleased to announce that the refurbishment of Alison House and Construction of the Commerce Block is well underway, even though the recent very unfortunate incidents in the Country impeded the movement of man and material to some extent. The photos depicted in this issue illustrate progress at the sites. The Project Management Group, headed by the erudite Consultant Engineer Mr. Vasantha Ratnayake and ably supported by the effervescent Project Manager Mr. Sarath Ekanayake, closely monitor construction activity while ensuring quality standards. Equally, the renowned Architect and old boy Mr. Channa Daswatte and Ms Rangaji Jayasekera have always been available with their invaluable advice and guidance.

Site inspection visit by A&OC members

We of the Advisory and Oversight Committee are profoundly grateful to all those benevolent donors for their magnanimity boosting the todate 'pledged' sum upwards of Rs. 113 mn. I shall be remiss in my duty if I failed to make special mention of the Group of 1976/81 - Rs. 30 mn, Mr. Mohamed Imtiaz - Rs. 20 mn, Colombo OBA - Rs. 15 mn, Mr. Harsha de Saram - Rs. 5 mn. Our target is a minimum of Rs. 150 mn, and we are confident that those who have so far not had the opportunity of lending their shoulder to the wheel will do so in the next few months.
