

Assessment for Grade 11 : July 13th , 16th and 17th 2020

Dear Parents of Grade 11 Students

Thank you very much for sending your sons back to school as instructed. The attendance has been well over 90% and the boys have followed all the precautions regarding the prevention of the spread of Covid-19 that we have implemented.

For the next week (beginning on Monday the 13th of July) the Education Department of Central Province has organized an Assessment of Learning for the Grade 11 students on 13, 16 and 17 July 2020. The papers are prepared by the Department of Education and the Answer Scripts will be evaluated by the Teachers of another designated School. The schedule of the assessments and the program for the 14th and 15th are given below, along with instructions about entry to school and the classrooms that will be used.

ALL students should be in school by 0745 on the 13th, 16th and 17th .

We encourage the students – and the parents – to consider this assessment as a tool for understanding their current state of preparation for the examination. It is important that students develop the ability to take the responsibility for their own learning. Our teachers will work with students to identify and then correct any weakness in the basics of the subjects that are brought out by the assessments.

We plan to increase the number of classes conducted in school starting on Monday the 20th of July to the point where students will come to school on two days of the week. We will also extend the duration of the school day and include a lunch interval. This extended timetable will be released towards the end of next week.

We are also beginning additional classes for students who feel that they need help. These classes will initially focus on the core subjects of First Language, Science, Mathematics and English. Students who wish to join these classes should get in touch with the Vice-Principal.

Please contact me or the Vice-Principal if you have any questions regarding our “Back to School” program.

Thank You

Dr. Nalin Wikramanayake
Acting-Principal
