Important

* Term fees should be settled on or before the following due dates

1st Term Fees Settlement	20th January 2024
2nd Term Fees Settlement	20th May 2024
3rd Term Fees Settlement	20th September 2024

* A late payment surcharge of 8% will be applied to overdue term fees if they are not settled by the due date. At the point of payment, the surcharge will be deducted first, followed by the school fees.

* Should you be a student in receipt of the TCK Grant, you will not qualify for the 8% rebate. Additionally, if there exists any outstanding arrears balance as of 20th January 2024, it is imperative to settle the current arrears to meet the eligibility criteria for the rebate of 8%.

* In the eventuality of a change of subject stream, the fees will be applicable from the following term onwards.

* Upon completion of A/L or IAL examination, a nominal fees of Rs. 4,100 per Term will be charged as a retention fees up to the date of leaving or if not for a maximum period of one year

* The above costs included a 2.5% Social Security Contribution Levy and will occasionally be subject to additional taxes levied by the government.

* Please keep in mind that the aforementioned terms and conditions are subject to change based on timely decisions made by the college administration.
